Agency,

Terrebonne Wis Sept 30th, 1884.

Hon Commissioner of Indian Affairs
Washington DC

Sir

In compliance with your letter
dated Sept 16th 1884, A. S. 17629/84,
I herewith herewith a list of the
names members of the mixed
blood Indians, whom the full
blood wish to exclude from
the payment the Indian claim
that they would have parties to
participate in the per-capita
payments only - and that they
have the same right to share
with off, that they have to share

1911

United States Indian Service,

Agency,

Over

note

No 215 was traced to No 8 & report in case
" 567 is traced to a half breed near the
Chickasaw settled with her on the north of
New Union,

No 1222 is traced to a half breed, they live
outside the Reservation. She usually calls
for her per capita -

No 1391 is the wife of John Lane a half
breed - He was settled by the Council
together with his family five or six years
ago were afterwards rejected,

Matche Popay and family (6 in
number) were first settled by the
Council and afterwards rejected,
Keokua W's }
Apot 30th 1884 } D. P. Andrew

W. J. Lee Report
No 896 claimed therefore to be a mixed
blood on half-breed and I am informed
the father of John in half-breed Popay
