Enclosed please find mortgage issued by letters of the Arceida Tribe of Wisconsin I was instructed to refer this matter to you for a proper permit.

These Gentlemen are about to purchase a Thrasher outfit as they have been having considerable trouble in getting their grain threshed as a result of lack of machines. and as there is a good outlook for them to make money we have come to a final conclusion and are waiting for your authority you will find these Gentlemen Industrious and a hard working people. making all efforts to gain success and capable of handling this machine but we do not feel like placing such amount of Cr in their hands without some authority that our Mortgage will stand good and that you will consent

to the sale. He has made a statement  
on back of Mortgage for Jennings  
to sign but he did not seem  
to have any authority to do so.  
we would be pleased to  
receive such writings from  
you as you may feel disposed  
to permit expecting an  
early answer.

Respectfully Yours
