

McLaughlin's
Oneida Reservation, Wis.

Washington

Aug

The Honorable

The Secretary of the Interior.

Sir:-

Complying with instructions contained in
letter dated July 24, 1917, approved by the
27, 1917, we have the honor to report that
investigation of the condition of the Oneida
Oneida Indian Reservation, Wisconsin, who hold
to their allotments at this time.

The trust period on all allotments on said
was to expire June 12, 1917, under the act of
1887, but, Executive Order No. 2623, dated March
extended the trust period for one year from
on allotments then remaining restricted, which
number 106, exclusive of heirship lands, and
each of the said restricted allottees is trans-
with as follows:

After traveling over a considerable portion
visiting the homes of the Indians, we met the
ence, by appointment, on August 7th, which ma
tended, there being over one hundred Indians
which the object of our visit to the reservat
plained to them, and the question of patents
discussed, as may be seen by transcript of the
notes of the meeting transmitted herewith, ma

At the request of the restricted Indians
meeting on August 14th, called by them for th
ing the discussion of the subject referred to
