Commissioner of Indian Affairs
Washington, D.C.

Dear Sir:

Referring to your letter of June 9, in which you enclosed the letter addressed to Mr. Wilson Cornelius, Nedrow, New York, which had been returned unclaimed, I have made inquiry of the state agent for the Onondagas at Nedrow and I am informed by him that this man goes by the name of Wilson Cornelius and says he seems to be a troublesome Indian from Muncie, Canada, and that he has had orders to have him deported but so far has not done so.

I have forwarded the letter addressed to Wilson Cornelius to the Onondaga Agent asking him to have it delivered if possible.

Yours truly,
