*AN ACT: To create an Indian Claims Commission,
to provide for the powers, duties, and functions
thereof, and for other purposes.*

*Be it enacted by the Senate and House of Representatives of
the United States of America in Congress assembled, That there
is hereby created and established an Indian Claims
Commission, hereafter referred to as the Commission.*

JURISDICTION

The Commission shall hear and determine the following claims against the United States on behalf of any Indian tribe, band, or other identifiable group of American Indians residing within the territorial limits of the United States or Alaska: (1) claims in law or equity arising under the Constitution, laws, treaties of the United States, and Executive orders of the President; (2) all other claims in law or equity, including those sounding in tort, with respect to which the claimant would have been entitled to sue in a court of the United States if the United States was subject to suit; (3) claims which would result if the treaties, contracts, and agreements between the claimant and the United States were revised on the ground of fraud, duress, unconscionable consideration, mutual or unilateral mistake, whether of law or fact, or any other ground cognizable by a court of equity; (4) claims arising from the taking by the United States, whether as the result of a treaty of cession or otherwise, of lands owned or occupied by the claimant without the payment for such lands of compensation agreed to by the claimant; and (5) claims based upon fair and honorable dealings that are not recognized by any existing rule of law or equity. No claim accruing after the date of the approval of this Act shall be considered by the Commission.
