Mr. E. J. Riley, Superintendent
Great Lakes Indian Agency
Ashland, Wisconsin

I am writing you in regards to the letter you received from Mrs. Patricia Barnes. I regret that the minutes were not turned in from the June meeting, but trust that you can still advise us as to what to do about her request for a statement showing ownership of the house on the property of Harvey Matoxin. As you will note in the minutes he said he didn't wish to make any change in the status of the land, so an assignment would be out of the question. I am wondering if your office could draw up a lease satisfactory to both parties, but feel that Mr. Hall should check on this in regards to location. We are expecting him to come as was stated in your letter of Aug. 2 and will be glad to meet with him.

Enclosed are copies of June and August meeting.

Sincerely Yours,

Eva Deerforth
Tribal Secretary
