Dear Mr. Powless:

Enclosed please find a copy of the VISTA proposal approved on May 3, 1969, as amended.

At the request of the Tribal Council, the following changes in the proposal have been made:

1. The Recreational Specialist position has been eliminated and the Recreational Specialist duties have been added to those listed under the job description for the Community Specialist.
2. The Employment Specialist position has been given a new title of "Career Assistant."
3. In place of the Recreational Specialist Assistant we have added one more volunteer to the Educational Specialist category.

Hopefully these changes reflect the wishes of the Council in regards to the job descriptions for the VISTA volunteers.

We are hoping that very shortly we will learn of the approval of this proposal. At that time we will be able to take the necessary steps to recruit the local supervisor and start to make final plans for the program.

Sincerely yours,

E. Nelson Swinerton
