

June 1977

Mr. Mc Lester,

Please note That This is an award from the National Federation of Music, not just a local award. This is a small way of saying "Thank you" for helping Mac Dowell Club serve the nursing homes. This is the first time I have seen the Special award with 3 ribbons - really special and so well deserved by you and your fine Orinda Dancers.

We Thank you again -

Mrs. Walter D. Robbins
