RE: Next Cultural Awareness Program  
DATE: October 25, 1978

Dear Friends:

The Parent Advisory Committee and the Appleton Area School District have thus far provided two cultural awareness programs for Indian students. The first was for all grades, the second just for junior and senior high school students. Both were very successful.

Our third program is now set for November 16, 1978; it is an evening program for families. Parents, students and children not yet in school are invited to the Wilson Junior High School auditorium for a 7:00 p.m. program given by the Oneida Singers. We are also trying to arrange an Oneida dance program for the same time.

Refreshments will be served after the program. There will be an opportunity during this time to talk with the Parent Advisory Committee and make your ideas and suggestions known.

To help us plan for the program, please send the bottom part of this sheet to Kaye White, Home/School Coordinator, Appleton Area School District, P. O. Box 2019, Appleton, Wisconsin 54913.

Sincerely,
