RE: OTDC Refusal to Pay Construction Bill

TO WHOM IT MAY CONCERN:

For work performed for OTDC on P.O. #W1 1466, to grub and clear stumps from three sites in rolling hills subdivision, which took 180 hours at \$25.00 per hour with a 977 crawler loader and 24 hours with the D4 Cat Dozer.

Bill Brownson has informed me that this is too high therefore, they refuse to pay.

A meeting scheduled for September 7, 1978, at 9:30 a.m. to discuss the bill.

A verbal agreement was made to pay after completion. Such agreement has not been kept. The bill price is \$5,100.00 for work performed.

Respectfully yours,

Richard A. Cornelius
