

Letter Requesting
enrollment

for Little Grace
Elizabeth

1979

May 13th, 1979

In keeping with traditional way of
Troquois people we would like see
Little Grace might be enrolled on her
mother's roll. As it has always been that
the children follow the mother's line.

There are several other things involved;
first, Little Grace was born in Plattsburgh,
New York automatically making her a U.S.
Citizen. Secondly, she will, at this time
residing in Oneida, Wisconsin.

We feel it would be in her best interest
to be enrolled on the Oneida's Wisconsin
roll.
