FIRST AMERICANS

INSURANCE SERVICE, INC.

As an insurance agency, FIRST AMERICANS INSURANCE has represented you as a consumer by offering the products of many different insurance companies who were willing to provide your insurance. Some of you have gone further than simply **buying insurance** and have established tribal-owned agencies to share in the commission earned by your insurance purchases.

For the past several months, we have been working toward establishing an INSURANCE COMPANY-INDIAN OWNED- which could provide needed insurance coverages to you at reasonable cost. The need for such a company is even greater with the projected increases of most insurance costs.

An INSURANCE AGENCY merely receives a small percentage of the premium in the form of commission, is able to write insurance only for those risks which a company is willing to take on, and has virtually no ability to control the premiums charged to the insurance buyer. An INSURANCE COMPANY, however, decides not only which coverages will be offered but also determines the cost of those coverages, realizes the full profits of the premiums, and controls investments of those profits. IT IS THEREFORE OBVIOUS THAT THE BENEFITS OF AN INDIAN OWNED INSURANCE COMPANY WOULD BE REALIZED BY BOTH THE INDIAN INVESTORS AND THE INDIAN CONSUMERS.

The dream of First Americans is now a reality. We are now in the final stages of this great historic event. Never before in the history of the American Indian have you had the opportunity to participate in and be part of an **exclusive** Indian owned insurance company!

Within the next few weeks you will be given the opportunity to buy shares of stock in your new company. Shares of stock will be limited and no more shares will be sold. This will be a great time for you to be part of the future. Stock will **only** be sold to the various tribes. It will **not** be sold on the public market.

If you would be interested in this golden opportunity please fill in the attached questionnaire and First Americans will be in contact with you when the stock sales begin.

We're looking forward to working with you to make your future even brighter.

Shares of stock will be limited. Subscribers will be taken on a first come/first serve basis. It's important that you ACT NOW!!

_____ Yes, we would be interested in purchasing stock in our Indian-owned insurance company.
