Dear Mr. McLester,

I would like to thank you for coming to speak to us about the Omeidas. I learned a lot about how they lived when they first moved to Wisconsin. The slide show also showed me about the clothes the Omeidas wear for a ceremony. I also think you explained the artifacts good so we could understand.

Sincerely,

Dear Mr. McLester

I really enjoyed your introduction to the Oneidas. I especially enjoyed what the Oneidas made out of corn husks like: corn masks, moccasins, mats, and ropes. I never knew they made so many things out of corn husks. Thank you for taking the time to teach us things about the Oneida.

Sincerely,
Ron Ness

Dear Mr. McLester,

It was real nice of you to come to our school and talk about the way the Oneida Indians, moved from New York to Wisconsin. I enjoyed hearing about how they got food, also how changes took place with the environment, and how you live now.
