ALTAR GUILD---

Do you think keeps the Church, linens and Linens looking beautiful? (Not little elf). Altar Guild with help from Sexton for cleaning the Church.

INDIAN COMMITTEE ASKS INPUT

Senior Warden, John Danforth, a member of the Episcopal Church's National Committee on Indian Work (NCIW) has asked the people of Holy Apostles to help the NICW by answering the following questions. Please return your answers on a separate sheet of paper to John in person as soon as possible. Both the NICW and John will be grateful for your input. It is very important that you answer these questions. Thank you for your participation.

1. What do we expect of the Church? What can the Church expect from us?
2. What would happen if the Church closed? What would we do if we had everything we needed?
3. What is the unique contribution of our traditional Indian spirituality to the whole Episcopal Church? For example: The Diocese; the Episcopal Church in Wisconsin; the nation and the world.
4. How does leadership come about in your community? How do people become leaders in the Oneida Community?

SENIOR GUILD---

Have you seen the beautiful quilts? These sweet diligent women have made them. Some are made at home, others from the store. Others are made and quilted. It is a pleasure to see a simple thing of beauty is made by the Lord work through them.

A large amount of money is also donated to the Senior Guild. They have helped pay for new antique pictures, new flooring in the room, and much more. They plan for a Christmas arrangement, of which all are to use the funds in to pay or help pay for a meal. They draw names for gifts at this time. They have a fellowship and have they do weekly work for Mass and breakfast on Thursday mornings.
