Dear Gordon:

First let me apologize for the lateness of this very sincere thank you for performing for our travel agent fam trip at the Oneida/Rodeway on June 6. As usual, getting back to the office after having been gone for three days meant somehow there was six days' worth of work waiting for me!

Our agents were very impressed with your dancers. The entertainment and education you provided were a perfect complement to the dinner, the hotel, and the area we toured. I thought it especially nice that you invited us to dance with your group. It was fun!

Thank you again for cooperating with us on our travel agent fam trip, and best of luck to you on your tour to Finland!

Sincerely,

Carol Zick
