Gordie;

I'm so glad that the Oneida Dance Group will perform at the Cerebral Palsy Telethon. It was so nice to talk with you this morning. I think you should come and visit every so often. It's nice to exchange views with you. Back to business though.

Once again, the Oneida Tribe is sponsoring one (1) hour of the Telethon between 1:00 and 2:00 P.M. on Sunday, February 28, 1988. The Dance Group will have seven (7) to eight (8) minutes to perform. I expect that there will be questions to ask about the group and those will be directed to you, as spokesperson for the Dance Group.

You can enter at the front door of the WBAY Building and ask to see Jean Dorschel. The group should probably arrive at least 15 minutes to 1/2 hour before so that they are ready. Mrs. Dorschel will see to it that the group is where they should be and the actual time they will perform.

The Telethon's phone number will be 435-1122. Please let your family and friends know that you will be on and give them the phone number. They can then call in their pledges.

If you have any questions, call me at 869-2214, ext. 399.

Sincerely,

Sandra Ninham
