Dear Lloyd:

You may, or may not recall meeting me a couple of weeks ago at the Ratason when you were making an appearance there. (Am enclosing a quickie I took of the kids - while you were busy studying the pattern on the floor, yes?). Anyhow, I talked for some time with Gordon, and he mentioned that you do make appearances around the area, and I told him that I was definitely interested.

First the date I have in mind: Thurs., Mar. 30th. The place: High Cliff Supper club at the Golf Course just off Hi. 11<sup>1/4</sup> outside of Sherwood. As the crow flies, it about a 20 Min. flight from you, but since it's so cold the crow would no doubt drive, which would make it about a 30 min. run.

The group you would be visiting would be the Calumet/Appleton Shrine Clubs (about 40-50 men and women). The time for you would be in the area of 8:00 P.M.

I understand that you are, in the interest of a projected trip to Germany, willing to make appearances for a donation toward that trip. I would appreciate either a call ( better use a phone because I don't think your voice would carry that far!) - or a note to let me know as soon as possible, so that I can complete arrangements. Give me an idea as to what amount you would need for the group, also - would you?

Hope to hear from you, and anticipate your visit. Will try to have the press there to cover too.

Sincerely,  
Larry Adams
