Dear Gordon:

On behalf of the Muscular Dystrophy Association (MDA) and the campers who attended this year's MDA Summer Camp, I want to extend a special thank you to you and your members for your generous offering of time and enthusiasm.

During your presentation, I hope your efforts were rewarded by the smiles, laughter and fellowship you shared with the campers and volunteers who attended. Most importantly though, you helped to give our campers an unforgettable and enjoyable summer experience.

Thanks again for being an "extra special" part of our Summer Camp Program and for your dedicated efforts and hard work on our behalf. It's a great comfort to those we serve to have your active expression of caring and concern.

With kindest best wishes . . .

Sincerely,

Carolynne Younk  
MDA Camp Director
