Mr F. O. Gleason,

Dear Sir:-

Two years ago when I had a boy from your institution I had a letter about the time he left asking for an account of the money paid him but have received nothing of the kind this year and as I have lost the address forward the balance of Chauncey Baird's wages to you trusting that you will see that the proper person has it.

We had a very pleasant time with Chauncey and found him a very nice young man in every respect.

Enclosed P. O. order for fifteen dollars and stamp. Please let me know if all right.

Yours respectfully,

F. M. Stetson.
