The Oneida Methodist Church Summer Camp Scholarships have all been filled on the basis of first come first serve, for the ages of 9 and up.

The lights at the Baseball field cost \$500.00 a year to be used when needed. Athletic Clubs who will be using the lights will be charging at the gates.

The Oneida Methodist Church is wondering about chartering the bus also anyone else who might want to use the bus should contact Sonny King who is in charge of the bus at the present time.

June 26, 1974 at the Boxing Show held at the Civic Center some of the equipment that was bought through the Bus funds helped in bringing home of our boys victories and trophies. The trophy winners were Steve Skenandore, Clyde Skenandore, and Wayne Danforth. Richard King had problems with his opponent as he lost his match. (But we still love you Richard!) We would like to see more support from our community next time as there wasn't very much this time.

The Editors who were concerned.
