TROWBRIDGE MANUSCRIPTS.

Dear Sir,

The departure of Mr. Williams, enable, me to acknowledge your favor of the 5th of May last. Upon his arrival at Detroit he will call on Genl. -----, and in all things pursue his instructions.

From the prudence and discretion of Mr. Williams, aided by your -----,& advice, I expect the most pleasing results, particularly as the Secretary of War has patronized the project.

In addition to my former communication as to the object & views of Mr. Williams, I can only add, that any measure, you may pursue to aid his undertakings, will be considered as a favor conferred on.

Your Friend,

David A. Odgen

His Excellency
L. Cass

To the Honorable William Woodbridge
Secretary of the Territory of Michigan

Most Excellent Sir,

The Deputies of the Oneida Nation of Indians, being a branch of the Six Nations, have been informed, from a source which I say cannot be doubted, that a treaty had been held at Green Bay, between the United States Agent and the Menominee Nation of Indians, and that said Menominee Nation have ceded to the United States that portion of their country which borders on the southern extremity of Green Bay, & from the mouth of the Fox River to Winnebago Lake.

We the undersigned, Deputies of the Oneida Nation, were authorized to hold a treaty with the above mentioned nation, and, if possible, to obtain from them, that very tract of country, which, is believed, they have ceded, to the United States.

Now, if your Hon. has any information upon this subject, the Deputies, will be happy to receive any communication that you may please to make to them.

The Deputies have concluded to return to Buffalo, & may they presume to ask your Hon. to procure them a passage in one of the Government vessels.

In so doing your Hon., will confer a great obligation upon your most obedient & very humble Servants,

Joseph X Brandt
